To - Whom It May Concern,

Subject: Certificate of Appreciation

This is to be recalled that 3I Electro Mechanical Works Pvt. Ltd Co. has signed contract agreement with Mesifn Industrial Engineering PLC to conduct the rehabilitation of Ethio-Djibouti Rail Way for the below listed works.

- 1. Dismantling of Rails
2. Dismantling of existing Rail way steel Bridges
3. Erection of new Rail Way Steel Bridges
4. Sand blasting & Painting of Two coats of Existing & New Rail way Steel Bridges.
5. Re-installation of dismantled Rails
6. Re-installation of dismantled Rail Way steel bridges structures

However due to other reasons the project work was pended. 3I Electro Mechanical Works Pvt. Ltd Co carried out only sand blasting & painting works for rail way steel bridges with high degree of commitment and professionalism on time.

This certificate is issued to express our satisfaction for the efficient and quality work they successfully done for sand blasting, carbomastic & Carboline paint of the steel bridges.

Best Regards
